LETTER OF RECOMMENDATION

Ref. No. F.1.5.1./141)/DIET/KP/736
क्रमांक

To Whom It May Concern

Date 03-09-2026
तिथि

I am pleased to write this letter of recommendation for Mr Tamal Mitra, who has been a valuable asset to our academic network. I have come to know Mr Mitra well as the Principal within the State Council of Educational Research and Training (SCERT) and have observed his teaching contributions over the years.

Mr Mitra served as a full-time faculty member from 2017 to 2019. He later continued to enrich our higher education framework as a respected Visiting Assistant Professor from 2019 to 2026. During this combined 9-year tenure, he showed a strong command of Commerce Pedagogy, Institutional Management, and Academic Leadership.

What makes Mr Mitra stand out is his unique blend of academic theory and real-world experience. Between 2022 and 2026, he served as the **Managing Director of the EU-registered research entity Tapati Mitra Research KFT in Hungary**. Even in this corporate role, he maintained his academic focus. This experience allows him to teach business concepts, strategic planning, and organisational behaviour grounded in actual cross-border enterprise experience.

Additionally, his recent **entrepreneurial work in India under Vajra Industrial Projects** demonstrates his strong project management, supply chain, and operational skills. He leads by example, has excellent English communication skills, and can mentor a diverse group of students. His impactful international publication assessing European economic and entrepreneurship models highlights his solid qualitative research skills.

Mr Mitra has a strong professional reputation, high emotional intelligence, and a vision for global education. I am confident he will be a great addition to your university's management and business faculty, enhancing both classroom learning and institutional research.

I give him my highest recommendation for any senior international faculty or research role. I wish him the best in his academic journey abroad.

Dr. NANDITA DEB
Principal
District Institute of Education & Training
B-2, Keshav Puram, Delhi-110035
