NOW This MOU aims to capture the understanding reached between TMREU and Mirmadan Mohanlal Government Polytechnic.

UNDERSTANDING

Both the parties under this MOU have agreed to collaborate with each other as below by providing students of institute approved by AICTE with TMREU corporate career readiness.

Commitment from MMGP

MMGP to support **TMREU** in increasing awareness & adoption of the Free "Career Skills" Training Program by effective communications to the Principals/OIC of Institute.

Commitment from TAPATI MITRA RESEARCH KFT

Launch of the free 20-hour Career Skills program for students. This training program will cover the following aspects: Interpersonal Skills, Presentation & Soft skill, Overall Knowledge of Production floor & Laboratories. This program will be a self-placed training that Students can access during institute vacation only. The MMGP institute leveraging the scope outlined in this MOU for its students will be doing so under the prevailing terms and conditions of TMREU.

Now we can Say the **Institute as First Party** & **Industry as Second Party**. In consideration of mutual promises set in this MoU both the parties hereto agree as follows…

Clause 1 (Co-operation)

1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

Clause 2 (Scope of the MoU)

2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 **Curriculum Design**: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 **Industrial Training & Visits**: Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 **Internships and Placement of Students**: Second Party will actively engage to help the delivery of the Internship and placement of students of the First Party into internships/jobs, as per AICTE internship Policy. The Second Party will also register itself on AICTE Internship Policy Portal for disseminating the Internship opportunities available with them.

2.5 **Research and Development**: Both Parties have agreed to carry out the joint research activities in the fields of - - Name of Industry specializations, activities and services.

2.6 **Skill Development Programs**: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.7 **Guest Lecturers**: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.8 **Faculty Development Programs**: Second Party to train the Faculties of First Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

2.10 There is no financial commitment on the part of the Name of institution, the First Party

to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

CLAUSE 3 (Intellectual Property)

3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 (Validity)

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **TMREU**, the Second Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Tapati Mitra Research Kft**, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

CLAUSE 5 (Relationship between the Parties)

5.1 It is expressly agreed that **First Party** and Second **Party** are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party. Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **xxxxxx(Name of City).**
